

## Tips before you get started:

- They are five lines long.
- The first line must rhyme with the 2nd and 5th line.  
Lines 3 and 4 must rhyme.
- They are usually funny or silly.
- The last line should be the funniest or have a nice punchline!

## Example:

Line 1 rhyme with lines  
2 & 5

There once was a man with a beard,

He had one tooth that shone when he sneered.

The tooth fell out,

Lines 3 & 4 rhyme

he gave a shout,

Punch line!

Now the dentist has nothing to fear!
