## INSTRUCTIONS:

1. Cut your tissue paper into various shapes.
2. Tape contact paper on your work surface, sticky side up.
3. Add your tissue paper shapes to create a stained glass pattern on contact paper.
4. Take your construction paper and cut strips to create a frame around your stained glass. Place around your stained glass art.
5. Place another piece of contact paper on top, careful to avoid air bubbles.
6. Hang your stained glass in your window to enjoy!
